

FILM FESTIVALS SYMPOSIUM

ABSTRACT AND FULL TEXT GUIDE FOR AUTHORS

Abstracts and full texts must be submitted to infoscreenfest@gmail.com

Accepted abstracts will be available to download under the name of "Syposium Abstracts E-Book" before the symposium starts.

The full texts of the presented papers will be published in the symposium website with ISBN number and by De Ki Publications titled as "Film Festivals E-Book".

Title, uppercase, in 'Times New Roman' font, size 12 Pt. and the full text must be written in Times New Roman.

The abstract and the full text must be in the same file.

An additional Word file must be sent including a CV, title (degree), institution and contact information. Since the evaluation process will be blind reviewed the abstracts must not include any name or contact information.

For page layout, the margins must be as in the following measures: Top: 2.5cm, Bottom: 2.5cm, Right: 2.5cm, Left: 2.5cm.

The text body must be justified.

The abstract must be written both in Turkish and English.

The Abstract title must be followed by the abstract text and the abstract text must be written with font size 10. The abstracts' word count must be from 150 up to 350.

The abstract text must be written in single space.

The abstract must not contain any references and/or citations.

Abstract text must contain "keywords" section in the end and must include 2 up to 5 keywords that are relevant to its subject.

Abstract texts must be followed by the full text section.

The full texts should be between 3,000 - 5,000 words.

The full text must be 12 pts and the size for the list of references is 11 pts.

The full text must be written in one half line spaces (1,5 pt).

Each paragraph must begin with 1 cm indent (TAB) space.

The text must not include any paragraph indent except the beginning of the paragraph itself.

If any in-text references and/or citations were made, authors must make sure they were made according to the APA 7 Referencing Guide.

All the film titles included/mentioned in the title, abstract and the text body must be written in italics which must be followed by the director's name and production year in parenthesis. In case of foreign movies mentioned for the first time in the text, the

Turkish name of the film must also be included first in the same parenthesis, followed by the director's name and the production year.

The list of references must be in the alphabetical order according to surnames. If citation is used in the text, attention should be paid to APA 7 rules in in-text citation and bibliography.
